Purpose built for Sliding Doors

E-LOK 7-Series for Sliding Doors is purpose built to expand your homes' indoor-outdoor flow. This E-LOK comes paired with Snib-Levers to allow for installation on narrow styles. A 28, or 35mm backset sliding door mortice lock is included, along with an adjustable strike for the door frame.

This E-LOK is easy to use and programme, with adjustable auto-lock timer or passage mode operations. Paired with the easy-to-use E-LOK App, indoor-outdoor flow has never been smarter.

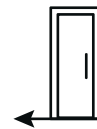

- Consult with installation company prior to purchase
- Snib lever also suits normal style swinging doors.
